Jose & Kyle,

I have waited patiently for a return of the funds for the computer I paid for and never received.

I have completed the forms and introduced evidence in this matter. There is a \$254.00 filing fee that the court said would be added to my judgement against you.

I thought I would give you one last attempt to reconcile this with us before I get the certified check for the filing fee.

Please advise if you are going to refund the funds for this computer.

Thank you,
