Hi Tom

We aren't ordering you a new tower, maybe there was a a lapse in communication.

Instead, Kyle had me purchase some speciality adapters so you can plug your old hardware into a new computer. These devices are hand made and on low supply. I have been waiting for approximately two weeks for shipping confirmation.

I will send you shipping details for these adapters once the manufacturer has provided them.

If you have any further questions feel free to reach out to me or Kyle.
